Continued Medical Education (CME) and Continued Professional Development (CPD)

Courses are based in the core competencies of psychiatry. International Members can access the **APA Learning Center** using their member log in credentials. The "My Portfolio" section of the Learning Center tracks your learning progress.

- The **Catalog**, offers the ability to search by topic, core competency, and activity type
- Embedded tracking and reporting allows access to completion certificates and transcripts documenting your learning progress
- Content is offered in a variety of formats, useful in both group and individual learning settings

European Continued Medical Education Credits (ECMECs): The European Union of Medical Specialties-European Accreditation Council for Continuing Medical Education (UEMS-EACCME) has a mutual recognition agreement with the American Medical Association (AMA) for live events and e-learning materials. All APA CME accredited courses are accredited by the AMA as PRA Category 1 Credits and are eligible for conversion to ECMECs. For more UEMS information: **uems.eu**. For more EACCME information: **eaccme.eu**.
